Riot on The River 2010 was once again a success! Even with the economy all upside down, people dug deep and showed up. As you will see by all the winners in the bike show, there were a lot of different clubs representing this year. The weather couldn't have been any better. And like always, The Brotherhood of Blues left us wanting for nothing. This was my first year to camp alone; well me and my 4 legged date, Spanky. We had a great time.

The bike games made my face hurt from smiling and laughing. They were without a doubt entertaining. Unfortunately I was having a little too much fun to catch all the winners names, but congratulations to all the winners. You guys went to all lengths to entertain us, and did a great job at it. Tim O'Reilly from ABATE won the \$500 gift certificate for Cabelas, and for the second year in a row the MMMC sold the winning ticket. First place bike show winners won \$30 cash, donated by Diamond Trucking (Phoenix, AZ) and 2nd place winners won \$20 gift certificates donated by Ride Now Motor-sports.
