

# AZ BIKER LEATHERS CELEBRATES 13 YEARS

On Saturday December 5, AZ Biker Leathers held its 13th Anniversary Party & Customer Appreciation Day. Owners Ann & George hosted their guests to free food, drinks, & music from noon-4pm. The weather was perfect.

Ann commented, "It was an amazing turn out. We couldn't ask for a better day."

Vendors were once again invited to set up for free. This year there were fifteen booths to browse. AZ Biker Leathers thanks all the vendors for their support and donated raffles. From Ann to the vendors, "you guys are great and will always have a spot at our event."

Tickets were available for the opportunity to win prizes from a table full of raffle items. Thanks go to the girls who donated their time to sell tickets. There was a lot of apparel, a variety of leather goods ~ hard & soft, and a Harley trike for a lucky little one. Some of the larger items included two 20" bicycles [a boy's & a girl's] and the grand prize of a 48" LED flat screen HDTV.

Music was provided by DJ Charlie Farley and his wife Joanne. They've been part of this event for years, spinning great music and adding to the fun. The band 'Arrogant Bastards' donated their time to play as well.

It's difficult to keep track of attendance at a free

event, but Ann shared that they bought enough food for 600 and ran out. Chuck, Charles, Norma, and Freddie kept the grill going and the line of people fed. These people are good friends of AZ Biker Leathers who donated their time to the day, and it is appreciated.

There is a lot that goes into setting this event up. Ann and George do appreciate all the added hard work that George Jr and his wife Amber do to get ready ~ including organizing the vendors and getting people to work the grill and sell raffle tickets.

Those who are familiar with the AZ Biker Leather family know that daughter Summer has been serving in the Military for 11 years now. She's an Army Medic, currently stationed in Hawaii. It has become a tradition at this event that when Summer is deployed away from home, Ann finds a flag of where she is stationed & people at the Anniversary Party are invited to sign it. Summer was so happy and excited when she unwrapped it for Christmas.

There were many positive comments about the day. Ann & George have a solid fan base that comes from good business. They've built a strong reputation for quality products and services.

Ann sent along this message, "All of us here at Arizona Biker Leathers want to say Thank you so very much for all the love and support at our 13th

Customer Appreciation Day. Thank you so much for making Arizona Biker Leathers what we are today. Special thanks go to Kelly and the crew at *Biker Information Guide* and to Bruce & Betsy at *AZ Rider Motorcycle News*. They keep our ads looking great and make sure to keep you all informed. I just really want to thank everyone again and again for all the support and great friends that we have met in the last 13 years. Love you guys!!!! Ann, George, George Jr, Amber, and Dirty Old Man."

Thank you to Troy Peters, Arrogant Bastards, Kamana'Wana Hawaiian Treats LLC, and Pamala Clark for posting photos from the day.
