

Bikers For Boxers

This year's Bikers For Boxers benefit took place on Sunday March 16. Boxer Luv Rescue volunteer Christa sent us some great information about the day and this organization. Sounds like it was a lot of fun for a good cause! *B&B*

We had 230 riders and 30 volunteers that made this event a success! We made \$12,000 for Boxer Luv Rescue.

We are one of the largest Boxer Rescues in the USA and save 500-700 dogs annually. We save, rehabilitate, and help homeless Boxers in need and are based in Maricopa County, AZ. A goal of ours is to have our own shelter someday soon. We are a 100% volunteer run organization. Maricopa County has the 2nd highest kill rate in the Country. It is a horrible statistic that we are trying to change. We save Boxers but we also work closely

with other rescue groups to save as many other dogs as we can. Local rescues work tirelessly to save animals everyday.

Our stops/sponsors included Chandler Harley Davidson, Renegade Classics, Dirty Dogg, Cocomo Joe's, and Hogs N Horses. We had 20 fantastic raffle prizes, 14 live and 14 silent auctions. Bad Bob played some great music for us at Hogs n Horses and he was ever so kind to let us use the microphone for all our raffles and live auctions.

A beautiful Boxer wood carving was made by Ed J. from the Poor Boys MA. Engraved on it are the names of some of the dogs we saved over the last 2 years. We could not auction this off. It will be given a place of honor in our shelter.

We would like to thank our ride coordinators, Terri Shahan and Jim Moore, all of our sponsors, donors, ride bag goody

donations, and every single person that helped us. We could not possibly thank everyone enough. Every donation was used to make money for our pups!

T-shirts are still available for purchase. At www.boxerluv.org you can order a 'Bikers for Boxers' Ride Shirt or a Women's Tee to support the run! :-)
