

Bob's Biker Blast

November 7, 2015 ... Harley-Davidson of Scottsdale definitely knows how to draw a crowd! We must say... for as many people as were up there, it was a pretty smooth trip to get parked.

HDOS 2.0 located at 15600 N Hayden Rd is a tribute to all things Harley, on a grand scale... Two stories of merchandise, parts & accessories, bikes.... The stuff you'd expect to see ~ plus a tattoo studio and wedding chapel.

We got there about 3:30p. Pete Cummings Band was on the HDOS Patio Stage and they sounded great!

There was an almost carnival-like

atmosphere... Outside various areas of the dealership were 'cirque entertainers' Working with fire, swords, and more. There were balloon artists, and an ice sculptor was creating a life-size motorcycle with a chainsaw. It was very festive.

Fans who were inclined could get an autograph from Kim Coates ~ the actor who portrayed the character 'Tig' in the series 'Sons of Anarchy' that ended in Dec 2014.

'I Ride For PCH' was a self-paced fundraising run for Phoenix Children's Hospital. A reported 500 or so participated in the ride that started at PCH and ended

at HD Scottsdale. It was announced that once the proceeds of the day were tallied ~ ride fees, concert tickets, tee-shirt sales, etc ... that the Parsons will make up the difference to make a \$1Million donation to PCH. Wow!

The day ended with an estimated 10,000 gathering for the Doobie Brothers w/ Michael McDonald concert.

Everyone we spoke with and observed was enjoying themselves. Comments collected from the day & night were all positive.

It was a fun outing & we're glad we could be there.
