

# C4 Motorcycle Ministry Charity Ride

The 2nd Annual C4 Motorcycle Ministry Charity Ride took place on October 11. This year's beneficiary was Streetlight, USA.

Streetlight, USA is an organization that rescues girls out of child sex trafficking; specializing in caring for and healing child victims of sex trafficking & exploitation. This is a huge problem within the US as well as overseas. There is a great deal to learn via their website <http://streetlightusa.org>, including how you can help.

This ride started at Christ's Community Church, located at 4530 W Thunderbird Rd. in Glendale. There were 50 participants. The first stop was at the Helmet Center, which also provided a gift card donation. Second stop was the Shell in

Wickenburg. 3rd stop was at Mountaineer Gas Station in Peoples Valley. The 4th and final stop was Granite Creek Park in Prescott, where lunch and fellowship were enjoyed and raffles were drawn.

Prizes included riding goggles, gift cards to businesses, and the grand prize of 4 tickets to Disneyland.

While no amount from the day was specified, it was noted that this year's donation was double their donation total from last year. That in itself is great news and something to be proud of.

The organizers extend their thanks to EMJ Steel, Discount Auto Sales, KDF Architecture Group, Priority Towing, Padre Murphy's, E3 Displays, & Pima Awards & Promotional Products for their support.

Thank you to Yvonne Nash for helping with this article. In addition to the details she shared, she sent along this note to our readers, "We had another great event and we couldn't have done it without the support of our church, sponsors, volunteers and fellow riders. Thank you for your time and we hope to see you all again next year. Our ride next year is Saturday October 24th."

This fundraiser was hosted by C4 Motorcycle Ministry; based out of Christ's Community Church, in Glendale. C4 stands for Character, Commitment, Camaraderie, Confidentiality. They meet weekly for a meal and monthly for rides. For more information about C4MM, please contact David Longino at [c4mm@ccc.org](mailto:c4mm@ccc.org).
