

Chandler Custom Cycles, located at 2775 N Arizona Avenue in Chandler is owned and operated by Harold Fischer. An award winning custom builder with a solid reputation for quality service, you get the best of both worlds under one roof. Whether you are looking to build the bike of your dreams or take the best possible care of the one you already have, Harold and his team will do their utmost for you.

Chandler Custom Cycles has been serving AZ's motorcycling community since June 1998. Throughout those years, this shop has become known for outstanding work, professionalism, and good value. CCC bikes have been featured in *Hot Bike*, *Easyriders*, *Iron Works*, *V-Twin*, and *American Bagger* magazines, and won many awards and trophies.

There are some customers who have purchased a new Harley-Davidson at an area dealer and then brought it to Chandler Custom Cycles to have it customized

to their individual tastes. Others bring in their ideas and ride out on a hand-crafted masterpiece. All can be confident of high-quality parts and service, and the shop's commitment to excellence.

Parts Manager Rick Beam has been with Chandler Customs since day one; bringing years of experience to the job. Mechanics Rod and Dan have a combined 45 yrs of wrenching on Harleys and building customs.

Harold's previous career as an accomplished electronics engineer brings much technical skill, creativity, and imagination to the customizing of the bikes.

Chandler Customs offers service and repair on all Harleys, any year. Bring your bike in for routine service, repairs, performance work, wide tire conversion, parts, or accessories. The shop offers 'state of the art' tire changing & balancing. Computerized emission testing is available

on the premises. Custom machining can be done in-house as well.

If you're looking to rake out your bagger or add stretched bags and fenders, Chandler Custom Cycles can do it all.... Check out Harold's Road Glide at the shop or in the July '12 issue of *American Bagger* magazine.

In addition to bike sales, parts, service, and customization, Chandler Custom Cycles also carries consignment bikes. So if you're in the market to buy, or you have a bike you must let go of and want to put it on consignment, give Harold a call.
