

Chester's H-D Backstage Biker Bash

Chester's Harley-Davidson hosted their annual Backstage Biker Bash on Friday March 20. The music lineup included Rowdy Johnson Band, Double-wide, and headliner David Allen Coe.

An estimated 2500-3000 people came out for the concert and to show support for the Liberty Wildlife Rehabilitation Foundation.

I enjoyed an evening of great music and lots of camaraderie. I observed a good turnout of independents plus many organizations were represented. It was nice to see the Road Queens in attendance. I was also delighted to see Gorilla from the Spartan Riders MC and hope that he continues to become more well.

The venue was ringed by a variety of vendors, offering merchandise, food, and adult beverages. Evapeology was among those set up. There was also a display of rescued birds presented by Liberty Wildlife.

Liberty Wildlife is "committed to nurturing the nature of Arizona by providing quality wildlife rehabilitation, environmental education, and conservation services for the community." [from their website] Learn more about what they do and how you can support their efforts via their website at <http://www.libertywildlife.org/>

Chester's H-D GM Kathy McKenzie shared, "Chester's Harley-Davidson wants to thank the

community for supporting us. It was a great event. We're glad everyone came out & had a good time. We look forward to seeing you next time."

Watch the *AZ Rider* calendar for the date announcement of the 2016 Backstage Biker Bash. Until then, tune in to Chester's H-D Calendar and their Facebook page for monthly specials and gatherings.

Chester's Harley-Davidson is located at 922 S. Country Club Dr. in Mesa. Find them on the web at www.chestershd.com, on FB at /ChestersHD, or call 480-894-0404. Please mention that you read about them here in *AriZona Rider*.

Enjoy Life & Be More Well,

Lady Jewells
