

Evil Twin Custom Cycles' Customer Appreciation Party

Evil Twin Custom Cycles, located at 433 W Main St in Mesa, AZ, hosted their annual Customer Appreciation Party on Saturday September 20.

More than 325 people signed in throughout the day. Six+ organizations were represented, in addition to a good turnout of independents.

There was a bit of morning rain ~ just some sprinkling. But it cleared for the afternoon.

The parking lot was set up with tents, vendor booths, a food station, and of course a bandstand. As always, eats and drinks were on the house. Four kegs met their demise that day ☺ Music was provided by the Unknown Associates and friends.

During band breaks there were giveaways. A

table full of goodies included free oil changes, headgear ~ hats, bandannas; a Snap-On clock, alcoholic treats, a fan, traveling coffee maker, helmet, bike accessories, and more.

Inside the shop, models from *Adult Quest* magazine were available for photos with your bike; taken by photographer Marlon DeCastro.

In addition to being a party for its own sake, the day also included a food drive for canned & non-perishable items. The beneficiary was St Mary's Food Drive. Donations were turned in for extra tickets for the door prize drawings. Two huge boxes of food were collected for St. Mary's Food Bank, plus over 2400 bottles of water. AND over \$2,400 was raised for children's charities. That just ROCKS!

For more than 14 years, Evil Twin Custom Cycles has been building custom bikes, offering repair and basic maintenance, sourcing parts & accessories, doing performance upgrades, and more. They work with all insurance companies. This is a full service shop; with work done on both American-made and metric bikes.
