

Evil Twin Hosts Bike Night

at

PRANKSTERS TOO

Looking for something to do on Wednesday night? Well, here's your answer. Evil Twin Custom Cycles hosts a bike night at Pranksters Too on the southwest corner of Hayden & Thomas Rd in Scottsdale from 5pm till 8pm.

It all started about 4 months ago at Evil Twin's Customer Appreciation Party. Anyone that has been to that event knows what a good time it is. So Robert Shinn, the owner of Evil Twin, and some friends were discussing how cool it would be to have this party every week. And so, Wednesday night Bike Night was born.

It has been held at Prankster's now for about 2 months and somewhere between

20 & 80 people have been known to show up. There is pool, darts, \$1.50 drafts, and even a free food buffet until 7pm.

The best part though is the live entertainment provided by Old Rockers. Now in case you haven't heard them yet, you should. Did I mention that Robert is also a member of the band? They have been together since 1987 and have a lot of original songs as well as playing oldies.

When you arrive they give you a raffle ticket and draw numbers throughout the night. But if you don't win anything, don't give up. They hold the month's collection of tickets and at the end of the month they pick a winner. Prizes have included new

tires, a 10,000 mile service, and more. Of course they have a 50/50.

Evil Twin's Bike Night is everything you could want on a hump day. And it's family friendly. So remember, next Wednesday, Prankster's is the place to be. Ride safe and have great time.
