

Forever Two Wheels Grand Re-opening

Gypsy's Forever Two Wheels recently relocated to 2288 S Idaho Road, in Apache Junction. There was a Grand Re-opening held on November 16. Gypsy & Sheri stayed busy greeting visitors and giving tours. The new shop is definitely bigger than the last. The location is right on the road and has a larger parking area as well.

There was an excellent turnout of support to launch the new shop. Everyone was treated to grilled hotdogs and cold drinks. Giveaways included a free Turkey, just in time for Thanksgiving. Raffle tickets were available toward a Skid Lid Helmet from Bikers Choice.

Forever Two Wheels offers motorcycle repair &

service on all American bikes. Gypsy is a certified mechanic with 35+ years working on scooters. He specializes in Indians, Iron Horse, BMC, & other 'orphans'. He has worked as a Tech in Harley dealerships, as a machinist in shops that rebuild Harley engines & transmissions, taught Harley technology at MMI, and worked for Harley's R&D department at their proving grounds. Additionally, he's worked as both a general manager and service manager in Indian dealerships and custom shops. Forever Two Wheels specializes in service, repair, and modification of all American V-Twins.

FTW has been running a couple of specials... on Dunlop tires and on accessories from the Tuck-

er Rocky catalog. They've been such a success that they are being extended through the end of January, 2014. So give the shop a call or drop by to check out the deals.

FMI 480-406-8281, 480-440-5468, or email ForeverTwoWheels1@gmail.com They're on Facebook at <https://www.facebook.com/pages/Forever-Two-Wheels/313126988719504> and they're getting their website established at <http://forevertwoweelsaz.com>

We wish Gypsy and Sheri the best in this new location and much success in the New Year.

Bruce & Betsy
