

Hot Rods & Hawgs For Cutrano AZ Troop Run

The 2nd Hot Rods & Hawgs Truck/Car/Bike Show took place on October 26, 2014 at the Steel Horse Saloon in Phoenix. It is hosted by Cutrano AZ Troop Run, Inc

An estimated 2000 spectators attended. There was a lot going on.... Including military displays & presentations, a bikini bike wash, vendors, raffles, beautiful bikes & cars, pinup models reminding us of a bygone era; and for the little ones, kids entertainment included clowns, a juggler, & face painting. DJ Greg Mathers provided the music.

There were 147 bike & car show entries.

Approximately \$3000 in donations was raised, which will benefit Cutrano AZ Troop Run & Mercy House.

Aaron Cutrano, Founder/President of Cutrano AZ Troop Run, Inc shared, "Our state first. Our Military. Regardless of your political views, there are men and women that are giving their lives daily for our liberty. Their children and family members suffer for our rights, while we

take our freedoms for granted. It is time to put your differences aside, not think of big government, or who is running for office and begin thinking that this country is 'by the people for the people.' Thousands of our own sacrifice their lives and family to protect us. So give a little bit of your time and explore our website for the troops...they are giving every second of their lives for us. To all the Military families struggling with being away from your loved ones ... we thank you for your service that ensures our freedom!! This is for all of the Brave ones at home and at War! Thank You."
