

Huns MC Mammoth Hawg Roast

The Huns of the Southwest MC hosted their annual Mammoth Hawg Roast at the Rivers Edge Lounge in Tucson, AZ [4635 N Flowing Wells Rd, ~ 520-887-9027] on Saturday October 4.

Sometimes it's fun just to have a party... for camaraderie and socializing and no 'higher purpose' than simply sharing time and breaking bread with friends. This was just such a gathering.

Approximately 103 visitors showed up, and it was a good time for all who attended. Most of all, the pulled pork barbeque with all of the accompanying goodies kept bringing the guests back for more. The Zombie Boys Band played, and there was a little bit of impromptu Karaoke later in the evening.

Coming up this month, the Huns MC is hosting a Steak Fry on Saturday November 15th, at the Tucson Clubhouse, 531 E Alturas. The cost is

\$15/plate. There will be vendors and live music. The party starts at 4pm and goes 'til ??? For more information, call Tigger at 520-631-0803.

The Huns MC started in California. The first Huns MC Chapter in Arizona was established in 1968. It was the first organized AMA-sanctioned motorcycle club in Arizona.
