

KLIQUE CAR SHOW AT CHESTER'S H-D

On Saturday November 9 The Klique Phoenix Charity Car Show took place from 11a-5pm at Chester's Harley Davidson, 922 S Country Club Dr, Mesa, AZ.

Before we even got into Chester's event venue, we observed that there were many show-quality autos to admire in the parking lot. Once we made our way into the actual venue, there was row after row of classic and custom cars on display. There were a fair number of motorcycles there, and even some pretty tricked-out bicycles... but today was all about the cars... highly customized, gleaming in the sun, and showing lots of style.

There were some true classics on display; very clean and [mostly] stock. A

great many of the vehicles were more modern autos; intensely refinished, showing intricate detail in their paint design, metal etching, and overall presentation. The workmanship was remarkable.

Vendors included Purple Slice detailing products, being demonstrated by your local Purple Slice representatives Mark & Theresa Ann Kalifut. Also on display were chrome goods, wheels, jewelry, apparel, paint, & more.

This was an awareness event for the Colon Cancer Alliance. CCA is a national patient advocacy organization dedicated to increasing screening rates and survivorship. Members

of CCA's Central AZ Chapter were there with information and to answer questions. Learn more about CCA at their website <http://www.ccalliance.org>

Chester's H-D's Special Events Coordinator Andy Slane shared that, "Chester's Harley-Davidson® wants to thank everyone who came out and supported the Klique Charity Car Show and for supporting the Colon Cancer Alliance. We look forward to working with them in the future, and hope that the future events will be even more successful."

Chester's H-D venue seemed perfect for accommodating such a large gathering. We are classic car fans, in addition to our love of motorcycles; so this show was an enjoyable departure from the traditional events we cover for *AZ Rider*.
