What a Beautiful evening to be out for a ride!! It was October 3rd and our stop was Motorcycles on Main Bike Night in Downtown Mesa. Gone is the heat from the summer sun that radiates off of concrete and asphalt late into the night... People were SO ready to be out riding after the sweltering summer.

This is a perfect way to kick off the month. With all the restaurants on Main, this is a popular First Friday dinner outing for a lot of people.

There was good traffic, with a lot of riders coming & going. There were a dozen or more Organizations represented in addition to all the Independents. There were 38 vendors including Grease Slinger Cycles, HogWear | Purple Slice, ABATE-AZ, and Chester's H-D.

The band, Rockin' a Hard Place, sounded great. They had both a really good play list and singer. They'll be back for the December MoM.

Due to construction restraints, the event is currently setting up just off of Main Street on MacDonald. Parking is on MacDonald and on Pepper. That will change as the construction schedule allows. The organizers, Downtown Mesa Association, appreciate everyone's support and understanding during this disruption.

Right after ringing in the New Year you can gather at Motorcycles on Main January 2, and hear 'Vintage Rocket' as they help you kick off the first weekend of 2015.

Motorcycles on Main takes place every First Friday, except July and August. Follow them on Facebook at [/Motorcycles-OnMain](#). We look forward to seeing you there!
