

# Save the Chesticles

The 11th Annual Save the Chesticles event took place on Saturday September 26, 2015. It started off at The Steel Horse Saloon, located at 1818 W. Bell Rd in Phoenix, as it has for many years.

The day's temperature was still at 100° degrees for this self-paced ride. Waddell's Longhorn Corral in Buckeye was a great place for the longest stretch. We also stopped at a new local place, Wild Bill's Saloon. It has been there for years but it has new owners, Nick and Cheri Mason. It's a nice friendly place to stop in and support our local economy. The ride ended back at the Steel Horse Saloon where there were lots of raffles, drawings, and freebies.

The boots are mine; worn in honor of my friend LaDonna Pitt that passed away two years ago in August from Pancreatic Cancer. She used to wear pink boots exactly like that to previous Chesticles events. The signing of them has become a tradition. I don't

know if I can carry on the tradition of wearing them. Yikes!

Which brings me to the name of my event... Save the Chesticles first started as a Breast Cancer event. Then my oldest brother said, "What about other cancers?" He had testicular cancer so Chesticles came to be. Cancer is Cancer!

My Mom and Dad as well as a lot of my Family have been involved in helping with the event. This year my event was dedicated to my cousin Yvette Nunez Redd. She was 43 years old when she lost her battle with cancer a year ago in September.

Visit Save the Chesticles on Facebook at /GPINKLADY to see more photos. Thank you to everyone who took pictures and posted them.

Virginia G. Piper Foundation was handed a check for \$2,350.00 from the day's event. Thank you to everyone that helped out and participated. Save

the Chesticles does help ten more people throughout the year with \$100 to any type of local cancer patients in need. Most of these are referred to me or contact me directly.

I'm truly thankful to Law Tigers; they have been a sponsor for many years. As a promoter I am Thankful for any help I can get with my event or any event. There are so many people to Thank for their help ... but you don't want to leave anyone out. If we can help at least one person by what we do, it is worth it. Cancer is Cancer! Early detection is the key!

Take the time to give a hug ~ you just never know. Take care. Thank you for your interest in Save the Chesticles.

Hugs, PINK ON!
