

Spaghetti Feed with East Valley ABATE AZ Rider

ABATE-AZ's East Valley Chapter hosted their 2015 Spaghetti Feed on June 6th. It was held from 6-9pm at the Mesa Tri-City Fraternal Order of Eagles Aerie #3468 at 1712 W Broadway in Mesa.

Organizations {in addition to the ABATE membership} who attended included CMA {Christian Motorcyclists Association}, ALR {American Legion Riders}, and the Lords of Loyalty MC. Being a June event, there was a mix of cages & motorcycles in the parking lot.

This is all-ages, family-friendly event, and there are kids activities. This year included a Wii, Twister, and some card games. The older kids help with the younger ones. Hmmm... we've been attending this since the older kids WERE the young ones ☺

The food was delicious.... to be expected when Redbone & the Bonettes are in the kitchen. \$10 per adult and \$5 per child got you 'all U can eat'. The dinner menu included home-cooked sauce, handmade meatballs, freshly baked bread, & salad. We appreciate Redbone allowing for us & any fellow vegetarians in the group.... By setting aside some sauce before adding in the meatballs. Whichever way you prepped your plate, it was a wonderful meal. And then there was dessert. The dessert table was 10 feet of temptation that no one could resist ☺

This gathering blended camaraderie with tasty food to make for a perfect evening out. We had a chance to catch up with some people from our past, which was a nice addition. The 50/50 drawing awarded \$70 to the winner. Congratulations Kathy!

East Valley ABATE has another event on the horizon. The 13th annual Hard Ass Run will take place on Saturday November 14. This is a 300 +/- mile ride with a Mystery Destination. The meeting place this year is Joeta's Leathers & Evil Twin Custom Cycles. Riders sign-in between 7-9am. The cost is \$20/sgl, \$30/2-up. There will be coffee & munchies. Evil Twin will be doing free air pressure checks. The first 75 riders who arrive at the final destination will receive a commemorative, collectible tee-shirt. Details are in our calendar.

Support your local MRO ~ Motorcyclists Rights Organization. These are the folks who worked to eliminate the motorcycle smogging requirement & got the handlebar height restrictions removed, among other benefits to the motorcycling community. Learn more at www.abateofaz.org/
