

LAW TIGERS SUPPORTS VETERANS AS WELL AS MOTORCYCLISTS

Law Tigers has been serving the motorcycling community for more than 15 years, providing skilled representation in personal injury cases involving motorcycle accidents.

In addition to their mission to support and promote the well being of motorcyclists, the Law Tigers also provides service to our Military Veterans; men & women to whom so much is owed for their service. The law firm offers financial contributions and legal assistance, pro bono, when requested, to Veterans.

Arizona's Law Tigers takes pride in supporting numerous charitable organizations, including: Wind & Fire-Phoenix Chapter, Susan B Komen -Race for the Cure, Arizona School for the Deaf, East Valley Firefighters Charities, Teen Challenge-Phoenix, Flagstaff Marine Corps League Charities, Adobe Mountain Wildlife Center, American Diabetes Association, Yavapai Blue Knights, Ride for the Warrior, Aviva Children's Services, and Greater TUCSON Fire Foundation.

Warren is a 6-year Veteran with a rank of Ser-

geant in the U.S. Army Criminal Investigation Division. Bob Moellman, Arizona's Marketing Manager, is a Vet as well; serving in the Marine Corps.

Supporting our GIs and Veterans is particularly close to the heart with the Law Tigers family.

One of the favorite events Law Tigers sponsors each year is the Phoenix Veterans Day Parade; giving them the opportunity to show support for our troops on active duty and veterans. They have been doing this for six years so far and have a lot of fun being a part of the parade.

The 2015 theme was "No Longer Forgotten, Remembering Korean War Veterans". Many members of the Law Tigers team participated, getting into the theme of the era with period clothing. The stylish nurse pictured here with Warren is his wife Judy.

While this is a friendly, lighthearted group, make no mistake ~ when it comes to their clients there is no joking around. The lawyers who make up Arizona's Law Tigers team bring a combined 70 years of experience to the table when handling their clients' cases. They, along with their support staff, are dedicated to

giving injured motorcyclists the best possible representation.

Nationwide, the Law Tigers network of motorcycle accident lawyers is available for a free office, hospital, or home consultation. They work on a contingency basis, which means there are no up-front charges. Attorneys will receive legal fees only when they obtain a favorable motorcycle accident settlement or verdict for their client.

In addition to assisting riders with their personal injury needs, Law Tigers supports rider education and awareness programs, in an effort to help reduce motorcycling-related deaths & injuries.
