About the Meals On Wheels program [from their website

<http://www.mealsonwheelsamerica.org>]

“Meals on Wheels operates in virtually every community in America through our network of more than 5,000 independently-run local programs. While the diversity of each program's services and operations may vary based on the needs and resources of their communities, they are all committed to supporting their senior neighbors to live healthier and more nourished lives in their own homes.

“Together, we galvanize the resources of local community organizations, businesses, donors, sponsors and more than two million volunteers – bolstered

by supplemental funding from the Older Americans Act – into a national safety net for our seniors.

“Providing Much More Than A Meal ... At the core of the Meals on Wheels service is a nutritious meal, companionship and a watchful eye on the health and safety of our seniors. For those who have trouble getting around, we bring the service to you. For those who can still venture out into their communities, we serve in gathering places, such as senior centers and community facilities.”

The Tinners MC thanks their supporters The El Dorado, The Steel Horse, and Flicka's Cantina for their donations. They also sent along this message, “The TINNERS MC would like to thank everyone for their support for a great cause. We appreciate all the support and look forward to doing it again this year.”

Thank you Scott & Chad of the Tinners MC, for your help in preparing this article.
